

Winter Surfing 2011

Attached is our program for winter surf 2011 for all members. This year we have elected not to make the fun sessions a subscription series, but we will still be providing hot drinks and some club boards will be available as normal.

As usual Jeff will help out with basic surf tuition at the first sessions. Please could everyone note that although patrolling club members are always present, this is not an officially patrolled event nor is it a "drop and forget", so the club cannot accept responsibility for the safety of attendees (Parents are responsible for their families).

The second half of the season will see a club tailored coaching program run by Surfing WA, **"subject to interest"**. This is an all inclusive package inclusive of the provision of wetsuits and boards. Additionally, everyone participating will be awarded a Certificate of Competence for their level reached over the program. There is an option for a casual rate and that is highlighted in the schedule. Please would all those wishing to take this fantastic offer up please let Jeff Baker know as soon as possible by email to jeffnali@optusnet.com.au.

The core location remains Mullaloo North Point as usual, but we may vary the fun events in the early part of the program and as a first event, we are hoping to kick off, subject to weather conditions, at Lancelin Back Beach. Further details will follow, but the (informal) plan is to take the club softboards up to Lancelin for a 10am start, surfing through to say 12.30 with a BBQ (bring your own food and drink) at 1pm onwards. Afternoon will be "do your own thing" but we can recommend 4wd in the dunes, sandboarding (you can hire boards there) or Desert Storm (Google the website).

Cheers, Jeff Baker

Proposed Schedule (subject to change)

Date	Time	Venue	Activity	Coordinator	Cost	
Saturday, 28 May 2011	10-12:30	Lancelin	Surfing Fun	Jeff Baker	\$0
