

MULLALOO SURF LIFE SAVING CLUB

# Southwest Youth Camp

26-29 September 2017

Mullaloo Surf Life Saving Club will once again be conducting a four day South-West Youth Activity Camp. This is open to all Club members registered in this seasons **U14 to U17 age groups (13 to 16 years of age)**. It has been a very successful event for the Club over the last fourteen years.

The activity will be for four days and three nights to be held from 26-29 September 2017 (first week of school holidays) and will be conducted in the environs of the South-West coast region. All participants will be fully supervised by an adult leadership group at all times.

The purpose of the activity is to bring together the youth of the Club in a fun and challenging environment for the start of the 2017/18 surf lifesaving season. We will be conducting numerous activities, including abseiling, caving and bush walks along the South-West coast.

Participants will be required to carry food, clothing and drinks (water) in a daypack for each day's activity and must be reasonably fit and capable of walking a distance of up to 15 - 20km per day.

The overall cost of the activity is anticipated to be around \$175 per person depending on the hire requirements. Participants will be supplied with the required camping equipment and transport to and from the activities and most food requirements. Each participant will be required to supply a sleeping bag, appropriate clothing, toiletries, and enclosed boots/shoes suitable for the activities.

If you are interested in participating in the camp, we have an **information session** at the Club on **Sunday 20 August 2017 at 2.00pm.**

You will be required to pay a \$75 deposit to secure your place at this meeting. If you cannot attend this session, you can secure your place by returning the slip below with a \$75 deposit (details below), by Thursday 17 August 2017. Places on the camp are limited and will only be secured by payment of a deposit.

This is an excellent opportunity to participate in a team building program that will be conducted away from the surf environment and interact with your peer's. The activities will be exciting, fun and achievable.

Following confirmation of your attendance, we have a **compulsory** meeting scheduled for **Sunday 24 September** for last minute checks!

*If you have any queries, special requirements regarding medical issues or food, please contact*
